

Dear Books for Africa –

These books are being donated on behalf of Olivia Katherine Sherry. Olivia passed away on May 26, 2024, at the age of 23 due to complications from a congenital heart defect. Although she was born with this condition, it was repaired when she was 4-months old and was by all accounts thriving and living a healthy normal life. Unfortunately, she suffered a heart arrhythmia and passed away suddenly but peacefully in her sleep.

Olivia had just graduated with her master's degree in education from Clemson University and was set to begin her career as an 8th Grade English teacher. She was a voracious reader and had a strong passion for supporting women's literacy. Her dream was to one day teach in Africa and contribute to this effort.

Please accept these books on behalf of Olivia, her loving family and The Live Like Livy Foundation.

Sincerely,

X
